Dear Commercial Vendors,

Breathitt County, (Jackson, Ky.) is planning its Annual Honey Festival to be held Friday - Monday, Labor Day Weekend. The planning committee has done extensive work to maintain a truly outstanding festival. Come join us for a week-end of old fashioned fun, great country food, and good times with our friendly Mountain Folks.

**Please check out our new web page: <http://www.breathittcountyhoneyfestival.com/>. Photos of past festivals, applications for download, schedule of events etc. are available there.**

There are a very limited number of outside Commercial Booths are available for rent. These spaces are outside the large craft tent so you will be required to bring your own canopy or tent. If you are a returning exhibitor, you have been assigned the same booth space you reserved last year, unless I specifically tell you differently. **If your booth is next to the Main Craft tent your canopy must be white or pastel colored.**

Only general security will be provided by the Jackson Police Department to these spaces: you are welcome to park a van or car near the booth at night if space permits. Commercial Booths include Children's Novelties, Sand Art, Games, Avon, Jewelry, etc.

The food booths and music stage will be on Broadway ( at the end of the large craft tent.) This is due to the construction of the new Juvenile Court building on Court Street. There is no change in location of the large craft tent and children's novelties booths.

Bring a long heavy duty grounded extension cord if you need additional electricity in your booth. If extra electricity or 220 electricity is required, this must be noted on the form you return with booth fees (please be as specific as possible for the benefit of our Electrician). Exhibitors will be responsible for providing their own display materials including tables, chairs, and additional lighting if desired. A broom and garbage bags will help keep your booth clean.

**Due to the past desecration of the Military Memorial and past complaints of visitors of the Honey Festival we will not allow the sale of : colored hair spray, stink bombs, potato guns, and silly string.** If you wish, you may spray the hair of kids for a fee - but do not release the cans of hair spray to the kids! Some local permanent businesses may sell some of these items to visitors of the Honey Festival, but we have no control over what they sell out of their permanent places of business. **PLEASE honor our request in this issue.**

Please carefully read the following rules and regulations regarding participation in the 2005 Breathitt County Honey Festival. **Please review the set up & information sheet.** We sincerely hope that you can participate and enjoy our festival this year. If you need further information or assistance, please feel free to call : Patricia Caudill (606- 295- 3747 - days or 606- 295- 4061 and leave message).

## SET UP INFORMATION:

Set up is on Friday after 9:00 AM - but Security is not provided until after 10 PM. ALL BOOTHS should be set up completely by 2 PM on Friday and remain open during stated hours. Please contact us if you will not be able to set up by the scheduled time. **Show hours are: Friday 12 Noon - 10/11 PM; Saturday 10 AM - 10 PM; Sunday 10AM - 8 PM.** If you cannot be in your booth by 10 AM on Sunday we request that you completely cover the front of the booth with tarps, plastic, etc so your booth can be guarded until your arrival. We ask that you be in your booth 1/2 hour before the tent opens each day. You may also work after closing, if needed, to prepare for the next day. Anyone packing up or leaving before 8 PM on Sunday, unless pre-approved by the Breathitt County Honey Festival may be refused entrance to future festivals.

**We require that all tables be covered to the ground (sheets, tablecloths etc.) and that you keep your booth as uncluttered as possible. A good display will show enough of your work to demonstrate its range without overwhelming your customer. Extra stock may be kept under your tables or in your vehicles. No boxes in the walkways will be allowed!** Ample inventory should be maintained. All extra stock and equipment should be stored under cover and out of sight the entire length of the festival. Parking for exhibitors will be relatively close to your booths. You may set up a small table or chairs outside your booth (between the tent ropes) but **KEEP IT NEAT PLEASE!**

## EXHIBITORS' RESPONSIBILITIES:

**Each exhibitor must check in at the information booth before setting up.** An information packet will be provided for each exhibitor with last minute information. Badges are required for each exhibitor in each booth. Badges must be worn during all hours of the festival. No one will be allowed into the tent when it is closed without their badge.

**Each booth is required to have a sign listing their Craft Business Name and Address; or their own Name and Address (City and State).** This does not need to be elaborate - a computer generated sign or poster paper and neat lettering will be fine. This is to help the Committee and your customers identify each booth.

**NO BUY - SELL ITEMS, NO IMPORTED ITEMS, No Food items, No Antique or Flea Market Items, No Kit Items, are to be sold in any Craft Booths. We require that crafts you sell be handmade by you or under your direction.** Exhibitors will be limited to items specifically mentioned on their application form or which have otherwise been approved by the Honey Festival Committee. The exhibitor agrees to maintain the quality and workmanship of his or her craft. Discounts are discouraged as they distract from the Festival.

No heaters, fans, televisions or other electrical appliances will be permitted unless listed on your application and receives prior approval from the Honey Festival Committee. All exhibitors are requested to have an ABC fire extinguisher in their booth. Exhibitors are responsible for setting up and tearing down their display. Exhibitors are responsible to pay any applicable sales taxes. All insurance must be placed and paid for by the exhibitor. The Breathitt County Honey Festival is hereby relieved of all responsibility in connection with the safekeeping of the exhibitors property. All paintings and craft items may be left over night, at owners risk, but security will be provided as before.
